SALE BEGINS THURSDAY MORNING **NOV. 17** BARGAINS THAT WILL INTEREST ECONOMICAL BUYERS

On January 1st, 1922, we will completely reorganize our business. In order to carry through our reorganization plans successfully, our entire stock must be converted into cash. Therefore prices have been cut to the heart. Every piece of merchandise in the house has been reduced to actual inventory value, and in many instances below cost. Values like these cannot be questioned. Every item on this advertisement represents a real saving to you. Read every word on this circular very carefully, and by all means do not fail to take advantage of the countless bargains we offer. Seeing is believing--so come one, come all.
Rare values like these you cannot afford to overlook. Read on.
